<p>Submit images to: PlantDiagnosticLab@uconn.edu</p> <p>Shipping Address: UConn Plant Diagnostic Lab 1380 Storrs Road, U-4115 Storrs, CT 06269-4115</p>	<p style="text-align: center;">\$20 diagnostic fee per sample</p> <p>Pay by credit/debit card: http://s.uconn.edu/pay</p> <p>Pay by check or money order: payable to "UConn"</p>

Shipping Insect Samples by Mail

1. **Do not** ship live insects or arthropods. Crushed insects and insects stuck to clear tape are unidentifiable. Place insects in freezer to kill them. Preserve soft-bodied insects in a leak-proof vial of alcohol.
2. Place the entire sample into a **sealed plastic bag**.
3. Ship in a **box** to avoid damaging the sample during transit. Insects will be crushed by mail machines if sent in a plain envelope.
4. Do not ship over a weekend or holiday to limit the time the sample is in transit.
